### **POPPY APPEAL FUNDRAISING**

Here is a brand new way that members of the Y Services (Garats Hay) Branch of the Royal British Legion can raise funds for the Poppy Appeal

Without

Yomping across the Sahara Desert

Cycling across Europe

Swimming the Channel

Pounding the streets of Lincoln

All this fundraising scheme requires is a few extra keystrokes on your PC/Laptop/Tablet. You won't even have to get out of your armchair. It is as easy as that. All you have to do is:

Join up to our fundraising scheme by going to <https://www.easyfundraising.org.uk/causes/rblyservices/>

It will not cost you a penny to join. Then:

Every time you shop on-line, go to the easyfundraising account first and then select your on-line retailer. Not every retailer supports the scheme, but over 3000 of them do, so you have a good chance of finding yours.

This really is the only extra step that you have to take – it will add about 30 seconds to the time it takes to do your on-line shopping. Now do your on-line shopping in the normal way

After you've checked out, the retailer will make a donation to your good cause. The retailers' donations may be as small as 2% of the cost of the item, in other words they will often be just a matter of a few pence, but if 450+ members of the Branch support the scheme, substantial sums will be raised every month.

There are no catches or hidden charges and the Royal British Legion will be really grateful for your donations to the Poppy Appeal.
