

Branch Fund Raising for the RBL Poppy Appeal – Update

[Originally sent as an email message to all members on 24 May 2016]

Since we began promoting easyfundraising.org.uk 37 branch members have registered with the scheme and to date a total of just short of £50.00 has been raised. This is a tremendous effort and a really good start to a campaign which we hope will continue to grow.

If you have already signed up, thank you. If not then please, if you make online purchases, take a look at the website www.easyfundraising.org.uk Once you have registered, you should select

[RBL Y Services \(Garats HaY\) Branch](#)

as your chosen good cause. Then all you have to do, each time to go online to book rail travel, purchase good, order a world cruise or whatever, is to access the retailer via

www.easyfundraising.org.uk explained in earlier newsletters the retailer makes a contribution to [RBL Y Services \(Garats HaY\) Branch](#) and what you pay is exactly the same as if you had gone to the retailer direct. So the scheme costs you nothing money wise and just a few minutes of your time to help make a real difference. In addition to encouraging more members to sign up to www.easyfundraising.org.uk

the scheme is currently offering an extra £5.00 donation if you make an online purchase from **ebay** via the easyfundraising portal before 30 May 2016. This offer is only available to those who registered with the scheme before 22 May

2016. But, so as not to pour cold water on this promotion the information on this offer is provided here as an example of the frequent offers and chances to raise even more funds which are made frequently by the organisers.

It is appreciated that not everyone will want to be involved but even if you only make an occasional online purchase every penny raised via donations will go towards the most worthy of causes – the Poppy Appeal.

So folks, this initiative is really taking off, so let's see if we can at least double the number of easyfundraising supporters in the next few weeks and continue to collect even more contributions.

Finally don't forget to keep up to date on our branch website: <http://garatshay.org.uk/>

or join in the banter on our FB page: **Y Services Garats Hay RBL**
